

1 by the committee. The matter has only come up as it
2 was expressed today. I was giving my opinion individually,
3 stating that if this occurred, and it was a matter that I
4 had not contemplated or dreamed of its occurring, but
5 if that did, there were six or seven meanings of law
6 before this Constitution, all of which were being cleared
7 up, we hope, by the Committee on Style.

8 That being the case, if it had that effect,
9 it is something that ought to be cleared up, and I would
10 be perfectly willing to recommend an amendment which
11 would say "or required by law by an enactment of the
12 General Assembly," or something to that effect, in order
13 to exclude that which would occur by the rule making power,
14 which would have the force of law.

15 THE CHAIRMAN: Delegate Case.

16 DELEGATE CASE: Once again, Mr. Chairman, I
17 call your attention and call the attention of the Committee
18 of the Whole to the fact that these are the precise words
19 that were used, or came to the committee as a result
20 of the deliberations of the Commission.

21 My committee, which devised these words, used
